## Daily Itinerary

---

### Day 1

#### Johannesburg

Sawubona! Welcome to South Africa. Johannesburg is a sprawling centre of remarkable contrasts. In the city, mansions stand alongside tin shacks and there are as many green parks on the outskirts of the city as there are conglomerations of concrete in the centre. Your adventure begins with a welcome meeting at 6 pm this evening. If you do happen to arrive early, why not get an insight into South Africa's history with a visit to the South African National Museum of Military History or the Apartheid Museum.

### Day 2

#### Kruger National Park

Heading for Kruger National Park (approximately 11–12 hours), you will leave Johannesburg and travel through the Mpumalanga Province, journeying along the famous Panorama Route through some of the most stunning scenery South Africa has to offer, including God's Window and Bourke's Luck Potholes. Kruger, your destination for tonight, is one of the largest game reserves in Southern Africa. It boasts over 500 bird species, 100 species of reptile and 150 mammal species, including the Big Five and the endangered African wild dog. Your wildlife odyssey begins as soon as you enter the park. Heading straight into some prime game viewing areas on your way to the camp – you'll have the chance to spot some of these amazing creatures straight away!

### Day 3

#### Kruger National Park

Rise early and enjoy a light breakfast of coffee and rusks before embarking on a morning game drive in the truck. Most of the day will be spent game viewing, birdwatching and stopping at various waterholes and viewpoints. Later on, there will be the option of a night drive with the park guide. This is a great chance to spot nocturnal animals and perhaps even a night-time predator or two – catch a lion or hyena out hunting, or perhaps impala out in search of a late-night feed.

## Day 4

### **Eswatini (Swaziland)/Hlane Royal National Park**

Journey to Hlane Royal National Park today (approximately 6–7 hours). Take a slow game drive in Kruger of between 20 and 70 kilometres before exiting the park midmorning. Travel south-east and enter the Kingdom of Eswatini, which is nestled snugly between Mozambique, Northern Zululand and Mpumalanga. The border crossing between South Africa and Eswatini is generally very smooth, but there may be some delays at certain times of the year. A vast expanse of bushveld with ancient hardwood trees, Hlane Royal National Park is home to the largest wild herds in Eswatini. Take the opportunity to explore this amazing park on a guided game walk. Tonight, you will camp inside the national park.

## Day 5

### **Mozambique Beach Camp**

This morning, travel to your Mozambique beach camp (approximately 7–8 hours). Departing from Hlane, you will head to the Golela border post and into Maputaland. After a little while, you'll enter Mozambique. After crossing this border point, hop out of the truck and jump into a 4WD vehicle, and from there, travel on to the beautiful seaside village of Ponta Malongane – your beachside oasis for the next two nights. Your campsite is basic with shared facilities but comfortable – the ideal base for seaside fun such as snorkelling, swimming and scuba diving.

## Day 6

### **Mozambique Beach Camp**

Make the most of this gorgeous seaside getaway today with a day to discover at your own pace. This is one of the many unspoiled beaches of Mozambique, and there is plenty to do here. Keen scuba divers can choose from many reefs – one of which is just 300 metres away from the shore. Alternatively, you can borrow some snorkelling gear and explore the blue waters of the Indian Ocean without the hassle of heavy equipment. Another great optional activity is to take a boat cruise in search of dolphins – ask your leader about booking. Or you can simply relax on the beach with a coconut juice and wile away the afternoon.

## Day 7

### **St Lucia Estuary**

Depart southern Mozambique, making your way to Zululand and Lake St Lucia, stopping at a shop for supplies along the way (approximately 4–5 hours). Declared a World Heritage Site in 1999, St Lucia Estuary is home to thousands of varieties of birds, mammals and reptiles, with its most popular residents being the hundreds of hippos and crocodiles. You'll have the opportunity to take a boat cruise out on the St Lucia Estuary where you have the chance to spot such creatures basking on the banks, not to mention a diverse array of exotic birds soaring through the air on occasion.

## Day 8

### **Zululand**

Make an early departure to the Valley of a Thousand Hills (approximately 5–6 hours). This is the heartland of the Zulu nation. You will gain an insight into the daily life of the rural Zulu people by spending the night in a traditional homestay. Here you'll be treated to some traditional food, song and dance. Today there will be a lot of walking in the village, up and down hills – it's called Valley of a Thousand Hills for a reason! So, make sure to wear comfortable footwear. You will only need a small overnight bag with the essential clothing and toiletries. Be sure to make the most of this rare opportunity to see a remote tribal culture from the inside. Interact with your hosts and perhaps impart some of your own culture and language in turn.

## Day 9

### **Durban**

Travel on to Durban (approximately 3 hours). Durban is South Africa's second most populous city and a tourist magnet thanks to its wealth of golden, sandy beaches and glitzy nightlife. Your accommodation here is in en-suited twin rooms at a unique backpackers lodge in Drakensberg. Sip on a refreshing sundowner in the thatched-loft lounge room. Here there is a book-swap and internet cafe. Other property facilities include a pool, jacuzzi, barbeque, fire pit, and WiFi. Upgrades are available (subject to availability).

## Day 11

### **Drakensberg**

Enjoy free time to go hiking through this incredible mountain range. It's up to you how much time you spend exploring. This is a great chance to learn more about the region from a local as you walk along. Regardless of how deep you delve, there are sure to be some amazing views and excellent photo opportunities.

## Day 12

### **Lesotho Highlands**

Leaving the Drakensberg behind, head into the mountain kingdom of Lesotho (approximately 7–8 hours). Nestled like a small island in the middle of South Africa, Lesotho is commonly known as the 'Kingdom in the Sky' with beautiful mountain ranges and endless hiking trails. Generally the border crossing into Lesotho is quite smooth, but you may experience some delays, depending on the time of year. Drive past the Golden Gate Highlands National Park which is famous for its extraordinary sandstone rock formations. The park is also home to elands, zebras, mongooses and hundreds of bird species – keep your eyes peeled along the way.

## Day 13

The scenery is breathtaking and offers endless hiking opportunities amongst the high passes and plunging canyons, many of which contain fascinating San paintings. Citizens of the USA, Canada, Australia, New Zealand and most EU countries will not need a visa to enter Lesotho as a tourist for up to 14 days. Citizens of other countries should check with the relevant consulates as to whether a visa is required. If a visa is required, you will need to obtain it in advance.

### Notes for Mozambique

Situated on the south eastern coast of Southern Africa, Mozambique has a diverse terrain of rainforests, swamps, mountains, grasslands, sand dunes and most famously its welcoming beaches. A journey through Mozambique with Imaginative Traveller will see you interact with the varied cultures and friendly people, and immerse yourself in the pulsating music, dance and buzzing atmosphere of the country. The coast is something truly special, with idyllic sandy beaches stretching for miles next to a perfect turquoise ocean, in which sail traditional sailing dhows and swim cast shoals of tropical fish.

Citizens of all countries (except most Southern African countries) will need a visa to enter Mozambique as a tourist for up to 30 days. If there is a Mozambican diplomatic mission in your home country, you will need to get this visa in advance (this applies to citizens of the UK, USA, France, Germany, Belgium, Sweden, Spain, Italy, and a few other countries). If there is no diplomatic mission in your home country, you will be able to obtain the visa on arrival at the border.

### Notes for South Africa

South Africa is a land of contrasts; famous for its magnificent National Parks which are home to some of the finest wildlife on the continent for the imaginative traveller. The city of Cape Town is one of the world's most scenic cities - with its stunning coastline, the spectacular Table Mountain, and its modern cityscape. There are vineyards on its doorstep, adventure activities around every corner, gardens, beaches, and museums to explore, and plenty of restaurants and cafes to relax in. Citizens of other countries should check with the relevant consulates as to whether a visa is required. If a visa is required, you will need to obtain it in advance and apply in person to provide biometric data. A valid yellow fever vaccination certificate is required from travellers coming from areas with risk of yellow fever transmission (including transiting for over 12 hours in an airport in an area of risk). Please note that if you're travelling to South Africa with a person under the age of 18, then you must be able to produce the child's full unabridged birth certificate (the one listing the child's details and both parents' details. - the short birth certificate which only lists the child's details won't be accepted). There are additional requirements if the child is travelling with only one parent, with neither biological parent, or is unaccompanied. Please see this link for more details or contact your nearest South African High Commission if you have any specific questions. These supporting documents will not be required for those directly transiting through a South African International Airport en route to another final destination. However, if you need to go through immigration on arrival in South Africa, collect your luggage and check in again, then you will need the same documentation as detailed above - please check with your airline if this is the case for your flight.

## Notes for Swaziland

---

The tiny country of Swaziland is one of the most beautiful areas of Southern Africa and a real gem on the southern circuit to visit with Imaginative Traveller. Ruled by one of Africa's last remaining royal monarchs, there is some fantastic wildlife spotting in the magnificent Mlilwane and Hlane National Parks as well as some amazing outdoor activities such as biking through the highlands, superb trekking and white water rafting! Swaziland is also home to some of Southern Africa's most vibrant traditional cultures and fascinating local traditions.

Citizens of other countries should check with the relevant consulates as to whether a visa is required. If a visa is required, you will need to obtain it in advance.

## **Important Notes**

The routes, activities and places visited as described in these trip notes are intentions and are meant as a rough guide only.

These trip notes have been compiled to help you prepare for your journey once you have booked. They include the full itinerary and dates, and information about kit lists, meeting hotels, insurance, vaccinations, visas, and other information that will help you get ready for your trip.

These notes are updated regularly, so please ensure you have an up-to-date version of these trip notes.

The planned route and itinerary is the intention, but exact night stops and inclusions cannot be guaranteed. It occasionally happens that there must be a change to our planned itinerary - this may be for a variety of reasons, such as climatic, road or bureaucratic conditions. By their very nature, adventure travel needs to be approached flexibly and some regions can be unpredictable. Some Imaginative Traveller journeys go through off the beaten track areas, which often have poor infrastructure and less stringent safety standards than we are used to at home.

## **Our Groups**

Our groups are made up of people from around the world and are usually an interesting mix of nationalities and ages. On average there is a pretty even split, males to females and between solo travellers, couples and small groups of friends. We believe that adventure travel should be open to as many people as possible and so although some trips have a minimum age limit, as long as you are fit, healthy and passionate about travel, we are happy to take you. One of the highlights of group travel is the camaraderie and friendships that are formed along the way, and as well as the variety of people that you will meet.

The maximum group size depends on the operator and the style of transport, but will usually be a maximum of 15-16 or up to 21-22 on our overland journeys.

## **Accommodation**

Imaginative Traveller trips are designed for shared accommodation, whether staying in hotels, hostels, homestays or campsites, and therefore do not involve a single supplement. Single travellers will share with people of the same sex for the duration of the trip and those that book together will usually be able to share accommodation.

The type, variety and standard of accommodation will vary greatly depending on what options are available in the region you are travelling; hotels can vary from very basic rooms without electricity or running water to high standard hotels with good facilities! Generally in hotels most rooms will be twin-share. Hostels, gers and yurts are nearly always multi-share.

Many trips will feature a stay in a local homestay or community tourism initiative, allowing us to experience a slice of local life in the areas we travel through. On our overland trips, we will sometimes camp in campsites ranging from rather basic or even wild camps to those with excellent facilities, including swimming pools, restaurants and bars.

## **Dietary Requirements**

If you have any dietary requirements please tell us at the time of booking and also remind your leader at your welcome meeting. Our crew will try to cater for any particular dietary requirement or food intolerance whenever possible.

## **Health**

You need to be in good physical health in order to participate fully in our trips. When selecting your trip

please make sure you have read through the itinerary carefully and assessed your ability to cope with the style of travel on that trip. We are always happy to give extra advice if you have additional concerns. Please note that if, in the opinion of our leader, you are unable to complete the itinerary without undue risk to yourself and/or the rest of the group, Imaginative Traveller or our partner operators reserve the right to exclude you from all or part of the trip.

You should consult your doctor for up-to-date medical travel information prior to travel, particularly if you have a pre-existing medical condition. We also advise you to declare any pre-existing medical conditions to your travel insurers upon purchase.

## **Altitude**

Imaginative Traveller offers some trips that travel to above 2,800m altitude above sea level - it is imperative at high altitudes to drink lots of water to stay hydrated, be careful not to get burned by the sun, and try not to exert yourself too much. Some pre-existing medical conditions are known to severely worsen at high altitude and be difficult to adequately treat on the ground, leading to more serious consequences. It is imperative that you discuss your pre-existing medical condition/s with your doctor. We understand certain medications are reported to aid acclimatising to high altitude; please discuss these options with your doctor.

## **Yellow Fever**

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate - please see each country's note above for details. It's also quite common for your home country to request a Yellow Fever certificate on your arrival back home.

It is your responsibility to check with your doctor well in advance of leaving home about the Yellow Fever requirements for the countries you'll be visiting.

## **Malaria and other mosquito-borne diseases**

Some areas we travel to have the risk of contracting malaria. If this applies to your trip, please get expert advice before travelling about types of malaria pills and take them as instructed. Recommended types do change from time to time and from area to area. Consult your GP / travel clinic for the most up-to-date requirements and to find the right option for you. If advised by your doctor to take a course of anti-malarial tablets, please complete the course as instructed as malaria can often manifest itself upon your return home if the course is not followed.

Other mosquito-borne diseases such as Dengue Fever, Chikungunya and Zika are continuing to spread and becoming a bigger problem around the world. Bite prevention is vital to avoid contracting any of these diseases as there are no vaccines or specific treatments available. Health professionals have issued warnings for pregnant women travelling to areas affected by the Zika virus.

The mosquito usually bites between the hours of dusk and dawn and so covering up by wearing long-legged and long-sleeved clothing, preferably light coloured and buttoned at the wrists, can help. Do not sleep without closing windows, use a mosquito net where possible and use mosquito repellent applied directly to your skin or soaked into your clothing.

## **Vaccinations**

Recommended vaccinations and other health protection vary according to different regions and recent bulletins issued by health authorities. It is essential to get the latest advice on the region(s) you are planning to travel in so please check with either your doctor or travel clinic in good time before you travel.

We also recommend you check out any specific health advice for the country you are travelling to either via your GP or the following websites: [www.nathnac.org](http://www.nathnac.org) or [www.fitfortravel.nhs.uk](http://www.fitfortravel.nhs.uk)

In the UK, we have been working with Nomad Travel for many years and their website has comprehensive,

up-to-date vaccination and health information. You will receive a 10% discount off all vaccinations given at Nomad Travel clinics.

## **Activities**

Included activities are listed in the day-to-day itinerary, all other activities are optional and at your own expense. If you choose not to participate in the included activities on this itinerary, the cost will not necessarily be refunded; this is something you will need to check with your leader.

A selection of optional activities is listed in the day-to-day itinerary. This list is designed to be a helpful guide as to what is commonly available in each location, and is neither an exhaustive list, a guarantee that the activity is available, or an endorsement or recommendation. Please note that certain activities may not be available on your particular visit if they are overbooked, underbooked, out of season, or for any other reason - the list of activities is made according to our latest information and in the best faith, but please be aware that things may change between our last visit and your arrival. Please also note that it may not be possible to do all the activities listed in the time available at each destination, and it is recommended to give yourself extra time in your joining or ending city if you would like to participate in some optional activities there.

If you do any optional activities, you do so at your own risk and it must be clearly understood that your participation is your own decision and does not form part of your contract with Dragoman. You may be required to sign/complete a waiver form or optional activity form for some optional activities.

## **Insurance**

It is a condition of booking that you have comprehensive travel insurance. Without evidence of valid travel insurance you will not be allowed to start the trip. This can be arranged by Imaginative Traveller through our website or by contacting our team of travel consultants.

If you prefer to arrange your insurance independently, it should have a minimum medical (including repatriation) cover of £2,000,000. We recommend that any policy also has a minimum level of cover for Personal Liability of £2,000,000 and for Cancellation and Curtailment of £5,000. Cover for loss of baggage, personal effects, money and other inclusions are down to personal choice although please bear in mind that personal effects are more likely to go missing whilst travelling and you should ensure that your policy is adequate to cover the value of your personal effects e.g. cameras, tablets, phones etc. Please note that Imaginative Traveller and our partner operators are not responsible for your personal effects and are not insured for their loss.

If you prefer to arrange your insurance independently, it should cover you for any activities that you may wish to participate in, such as white-water rafting, trekking, horse-riding, etc. and the 24-hour Emergency Assistance Company must be experienced in handling situations in developing countries if applicable (e.g. they have the ability to arrange repatriation from remote areas such as the Sahara or trekking in the Andes). If you are travelling to high altitude (such as embarking on a trek to the summit of Kilimanjaro), please make sure that this is also covered.

Please double check if you have annual travel and/or credit card policies to ensure they have the cover you require, as many of these policies are not suitable with adventure travel to remote areas. Many credit card medical insurance policies are not valid for travelling outside your country of residence or outside the EU.

Please also check the age limits on any policy you wish to take out and make sure that you thoroughly inform the insurance company of any pre-existing conditions.

## **Passports**

Check that your passport will still be valid for 6 months after the end of the trip - this is important as some countries WILL refuse entry to anyone whose passport is due to expire. A temporary or emergency passport is not valid on our trips. You will need to provide us with your passport details prior to departing for your trip. If you change your passport please remember to inform us.

## **Pre and Post Trip Accommodation and Transfers**

At Imaginative Traveller we believe you should make the most of the places you visit, so if you would like to see more of the joining or finishing point cities, why not book additional accommodation to extend your stay? We can take away the hassle of time zones and language barriers by making the booking for you. This accommodation is only available at the joining or finishing city of your trip, immediately before or after the trip you are travelling on. Please note our rates do not reflect last minute walk-in rates or internet specials.

We can also book arrival airport transfers for you as long as we have your flight arrival details. These are normally payable in cash upon arrival; however we do have pre paid transfers in a few destinations.

Please contact our reservations team for details of the accommodation and transfers that we can offer, as not all hotels offer this service.

## **Responsible Tourism**

Imaginative Traveller is committed to ensuring that we have a positive impact on local communities and that we implement policies to minimise any negative impact on the local environment. We recognise that we are guests of local communities and strive to make them benefit directly from our visit. You can find full details of Imaginative Traveller's responsible tourism policy on our website.

## **Issues on the trip**

While we always endeavour to provide the best possible holiday experience, due to the nature of travel and the areas we visit sometimes things can and do go wrong. Should any issue occur while you are on your trip, it is imperative that you discuss this with your group leader or our local partner straight away so that they can do their best to rectify the problem and save any potential negative impact on the rest of your trip.

We recognise that there may be times when your group leader may not be able to resolve a situation to your satisfaction. If this is the case please contact our customer relations department on

[customer-relations@imtrav.net](mailto:customer-relations@imtrav.net)

You may also choose to provide details in your feedback questionnaire which we ask you to complete at the end of your trip, but we do ask you to be aware that it is very difficult for us to provide any practical help after the trip is complete.

## **Feedback**

After your travels, we want to hear from you! We rely on your feedback. We read it carefully. Feedback helps us to understand what we are doing well and what we could be doing better, and it allows us to make improvements for future travellers.

## Trip Suitability

At Imaginative Traveller, we want you to enjoy your trip to the fullest extent possible, so we ask you to take a moment to read through the following information and make sure you're fully aware of the kind of trip you will be joining.

Imaginative Traveller trips and adventure travel in general can be quite demanding and there are risks and hazards that are inherent in such trips. Long driving days can sometimes be uncomfortable and tiring. Many of the places we visit are off the beaten track and so do not have the infrastructure that we are accustomed to in western society. Accommodation can vary greatly in standards and when wild camping on an Overland trip we rely entirely on our own provisions.

You will have the opportunity to take part in many exciting activities and excursions, some of which are included whilst others are optional (i.e. hiking the Inca Trail, trekking to see Mountain Gorillas) these require a certain level of fitness, so it's important that you read through the trip notes thoroughly and make your own conclusions as to whether you feel that you are fit and healthy enough to enjoy this trip to its fullest. Some activities may have higher risks than you are used to and you must judge whether or not you wish to, or have the physical ability to take part. All travellers are also required to carry their own bag and lift it into storage areas, get on and off public transport or if on an Overland trip - be able to manage the 2-foot step on and off the Overland truck.

Weather conditions in certain areas can also make physical activity more challenging. This also applies to our trips that travel at altitude.

It is extremely rare for us to have to refuse anyone a space on our trips for medical reasons. If at the time of booking you have any concern at all about a medical condition that may prevent you from participating fully in the trip, please let your travel agent or Imaginative Traveller know as soon as possible. If upon disclosure, our operator is of the opinion that the trip is not suitable for you, then we reserve the right to cancel your booking or alternatively to limit your participation in certain activities.

Whilst we don't want to put anyone off experiencing one of our trips, we ask that you read through the trip notes for the trip you have selected carefully and realistically self assess your ability to complete the trip as described. Please consult with your Dr and/or us if you have any doubts.

## **5. Prices & surcharges**

Our trip prices are subject to variable and seasonal pricing, both of which are standard practice within the travel industry. This means our trip prices may vary at any time in accordance with demand, market conditions and availability. It is likely that different passengers on the same trip have been charged different prices. Your best option if you like the price you see is to book at that time. Once you have received a quote the price will be locked in provided you pay the required deposit prior to the quote's expiry. Any reduced pricing or discounts that may become available after you have paid your deposit will not apply. If you wish to cancel your booking to take advantage of a cheaper price, full cancellation conditions apply. The most up to date pricing is available on our website. Prices are based on currency exchange rates as of June 2018; note that prices may vary depending on which currency the booking is made. We reserve the right to impose surcharges up to 56 days before departure due to unfavourable changes in exchange rates, increases in airfares or other transportation costs, increases in local operator costs, taxes, or if government action should require us to do so. In such instances, we will be responsible for any amount up to 2% of the trip price and you will be responsible for the balance. If any surcharge results in an increase of more than 10% of the trip price you may cancel the booking within 14 days of notification of the surcharge and obtain a full refund. Should the cost of your trip decrease by more than 2% due to the changes mentioned above then any refund due will be paid to you. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the cost of your travel due to contractual and other protection in place. Air Passenger Duty is included in the price of your air inclusive trip. Please note that a surcharge may be applied to all purchases made by credit card.

## **6. Your details**

In order for us to confirm your travel arrangements you must provide all requested details with the balance of the trip price. Necessary details vary by trip; they include but are not limited to full name as per passport, date of birth, nationality, passport number, passport issue and expiry date and any pre-existing medical conditions you have which may affect your ability to complete your travel arrangements. ## **12. Age & Health requirements**

**Minimum Age:** For the majority of our trips the minimum age is 15 at the time of travel. All travellers under the age of 18 must be accompanied by a legal guardian, or in lieu of a legal guardian, by an escort over the age of 18, appointed by their legal guardian. The legal guardian or their designee will be responsible for the traveller under the age of 18's day to day care. If a legal guardian elects to designate an escort in their lieu, they will be required to complete and sign a relevant document, to delegate their authority.

Please note we cannot guarantee triple or adjoining rooms for families; accompanying adults may be required to share with others in the group on a twin share basis.

**Variations:** A minimum age of 18 applies to many Overland adventures, while a lower minimum age applies to Family trips and Short Break Adventures. Please check with your consultant at the time of enquiry. All bookings for our Family trips must include a child under the age of 18.

**Maximum Age:** For the majority of our trips we have no upper age limit though we remind you that our trips can be physically demanding and passengers must ensure that they are suitably fit to allow full participation. We are able to provide details on mandatory health requirements; however, we are not medical experts. It is your responsibility to ensure that you obtain proper and detailed medical advice at least two months prior to travel for the latest health requirements and recommendations for your destination.

You must be older than 18 years and younger than 30 years on day 1 of your trip to travel on our 18 to 29s Adventures.

**Pre-existing medical conditions:** If at the time of booking or at any time before departure you have a medical condition that may prevent you from participating fully in the trip, or may affect others on the trip, you must let us know as soon as possible. You will be required to provide evidence that this condition has been disclosed to your travel insurance company.

## **13. Small groups & combination trips**

At times we can have groups with small numbers of travellers. Many of our trips are designed to fit with other departures to create a longer "combination" trip; this means that some of your group may have already been travelling together for some weeks when you commence your trip. If you would like to know how many people are booked on your trip or any combination trip it is part of please ask prior to making your booking.

## **14. Passport and visas**

You must carry a valid passport and have obtained all of the appropriate visas, permits and certificates for the countries which you will visit during your trip. Your passport must be valid for 6 months beyond the duration of the trip. It is your responsibility to ensure that you are in possession of the correct visas, permits and certificates for your trip; please refer to the Essential Trip Information for details. We are not responsible if you are refused entry to a country because you lack the correct passport, visa or other travel documentation.

## **15. Travel insurance**

Travel insurance is mandatory for all our travellers and should be taken out at the time of booking. Your

travel insurance must provide cover against personal accident, death, medical expenses and emergency repatriation with a recommended minimum coverage of US\$200,000 for each of the categories of cover. We also strongly recommend it covers cancellation, curtailment, personal liability and loss of luggage and personal effects. You must provide your travel insurance policy number and the insurance company's 24 hour emergency contact number on the first day of your trip; you will not be able to join the trip without these details. We also require evidence that any medical conditions have been disclosed to your travel insurance company prior to the start of the trip. If you have travel insurance connected to your credit card or bank account please ensure you have details of the participating insurer, the insurance policy number and emergency contact number with you rather than the bank's name and credit card details.

## **16. Flexibility**

You appreciate and acknowledge that the nature of this type of travel requires considerable flexibility and you should allow for alternatives. The itinerary provided for each trip is representative of the types of activities contemplated, but it is understood that the route, schedules, itineraries, amenities and mode of transport may be subject to alteration without prior notice due to local circumstances or events.

## **17. Change of itinerary**

While we endeavour to operate all trips as described we reserve the right to change the trip itinerary. Please refer to our website before departure for the most recent updates to your itinerary.

**Before departure:** If we make a major change we will inform you as soon as reasonably possible if there is time before departure. The definition of a major change is deemed to be a change affecting at least one day in five of the itinerary. When a major change is made you may choose between accepting the change, obtaining a refund of money paid on the land portion of the trip only or accepting an alternative tour offered.

**After departure:** We reserve the right to change an itinerary after departure due to local circumstances or events outside of our control. In such emergency circumstances the additional cost of any necessary itinerary alterations will be covered by you. Please note we are not responsible for any incidental expenses that may be incurred as a result of the change of itinerary such as visas, vaccinations or non-refundable flights.

## **18. Authority on tour**

Our group trips are run by a group leader. The decision of the group leader is final on all matters likely to affect the safety or well-being of any traveller or staff member participating in the trip. If you fail to comply with a decision made by a group leader, or interfere with the well-being or mobility of the group, the group leader may direct you to leave the trip immediately, with no right of refund. We may also elect not to carry you on any future trips booked. You must at all times comply with the laws, customs, foreign exchange and drug regulations of all countries visited, and you also agree to travel in accordance with our responsible travel guidelines.

## **19. Acceptance of risk**

You acknowledge that the nature of the trip is adventurous and participation involves a degree of personal risk. You will be visiting places where the political, cultural and geographical attributes present dangers and physical challenges greater than those present in our daily lives. We use information from government foreign departments and reports from our own contacts in assessing whether the itinerary should operate. However it is also your own responsibility to acquaint yourself with all relevant travel information and the nature of your itinerary. You acknowledge that your decision to travel is made in light of consideration of this information and you accept that you are aware of the personal risks attendant upon such travel.

## **20. Limitation of liability**

1. We will accept liability for the negligence of our staff or agents causing death or physical injury to persons or loss or damage to personal property only to the extent it is obliged under the applicable law. Our obligations, and those of our suppliers providing any service or facility included in your holiday, are to take reasonable skill and care to arrange for the provision of such services and facilities. In all cases the Company specifically excludes all liability for indirect or consequential loss or expense including loss of profits and in all cases our liability will be limited in accordance with and/or in an identical manner to the terms of the companies that provide the transportation for your travel arrangements.

6. our acceptance of liability in clauses a and b above is subject to assignment by you of your rights against any agent, supplier or sub-contractor which is in any way responsible for the unsatisfactory arrangements or your death or personal injury.
7. Flight Notice, Flight Information and EU Blacklist.

This is a notice required by European Community Regulation (EC) No.889/2002. This notice cannot be used as a basis for a claim for compensation, nor to interpret the provisions of the Regulation or the Montréal Convention, and it does not form part of the contract between the carrier(s), us and you, nor part of a claim. No representation is made by the carrier(s) or us as to the accuracy of the contents of this notice.

Air carrier liability for passengers and their baggage:

This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montréal Convention.

Compensation in the case of death or injury: There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £80,000 / €120,000) the air carrier cannot contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it was not negligent or otherwise at fault.

Advance payments: If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16000 SDRs (approximately £13,000 / €19,300).

Passenger delays: In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4150 SDRs (approximately £3,300 / €5,000).

Baggage delays: In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1000 SDRs (approximately £800/€1,200).

Destruction, loss or damage to baggage: The air carrier is liable for destruction, loss or damage to baggage up to 1000 SDRs (approximately £800) In the case of checked baggage, it is liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher limits for baggage: A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints on baggage: If the baggage is damaged, delayed, lost or destroyed, the passenger must write

and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within seven days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability of contracting and actual carriers: If the air carrier actually performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis for the information. The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

In accordance with EU directive (EC) no. 2111/2005, Article 9, we are required to bring to your attention the existence of a 'Community list' which contains details of air carriers that are subject to an operating ban within the EU Community. The Community list is available for inspection at [www.air-ban.europa.eu](http://www.air-ban.europa.eu). In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. We do this by listing carriers to be used or likely to be used on our confirming documents. The airline may use wide and narrow-body jets. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate.

## **21. Optional activities**

Optional activities not included in the trip price do not form part of the trip or this contract. You accept that any assistance given by your group leader or local representative in arranging optional activities does not render us liable for them in any way. The contract for the provision of that activity will be between you and activity provider.

## **22. Claims & complaints**

If you have a complaint about your trip please inform your group leader or our local representative at the time in order that they can attempt to rectify the matter. If satisfaction is not reached through these means then any further complaint should be put in writing to us within 30 days of the end of the tour. If we can't resolve your complaint, go to [www.abta.com](http://www.abta.com) to use ABTA's simple procedure.

## **24. Photos and marketing**

You consent to Intrepid or Imaginative Traveller using images of you taken during the trip for advertising and promotional purposes in any medium we choose. You grant us a perpetual, royalty-free, worldwide, irrevocable licence to use such images for publicity and promotional purposes.

- Additionally, travellers may at any time before the start of the package terminate the contract in return for an appropriate and justifiable termination fee.
- If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. Travellers may terminate the contract without paying any termination fee, where services are not performed in accordance with the contract and this substantially affects the performance of the package and the organiser fails to remedy the problem.
- Travellers are also entitled to a price reduction or compensation for damages or both where the travel services are not performed or are improperly performed.
- The organiser has to provide assistance if the traveller is in difficulty.
- If the organiser or the retailer becomes insolvent, payments will be refunded. If the organiser or, where applicable, the retailer becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured.
